DEEP DIVE WITH DEBRA HESS

Welcome to the Deep Dive: Inner Vision Quest! Debra will provide the tools needed to facilitate an inner dive within — allowing you to be in the receiving mode of the wisdom and guidance that is always there. The deeper we go, the more we let go of the distractions and momentum of our conditioning and create a Readiness Within that allows the answers to come.

Native practices of Shamanism are just that... conditions that allow for Direct Revelation.

THE PILLARS OF THIS INNER VISION QUEST:

- 3 Days (Sat/ Sun/ Mon): Acclimate, rest and socialize with the group and the land.
- 3 Days (Tue/ Wed / Thur): Step aside and be only with Yourself, your Guides, your Soul and your Source.
- 1 Shamanic Session with Debra for clarifying Inner Vision Guidance

This Deep Dive Intensive is optional and is offered at an increased rate from the Basic Package.

AIRLINE INFORMATION
To Which Airport Should I Fly?

We recommend the Helena Regional Airport for those coming to retreats and programs at the Feathered Pipe Ranch. Direct flights into Helena currently originate in Salt Lake City, UT (Delta Airlines), Denver, CO (United Airlines) and Great Falls, MT (Alaska Airlines).

We strongly suggest that you book your flight to arrive on Friday (a day early) and enjoy a night in beautiful downtown Helena, as unfortunately it is not uncommon for the major airlines, particularly out of Salt Lake City and Denver to overbook flights to Helena.

That being said, [travel insurance](#) is recommended.

Airlines fly in from all parts of the country on a regular basis, with Delta serving those flying from the East Coast, Midwest, Mountain and West Coast via their Minneapolis and Salt Lake City hub, United Airlines serving passengers from all over via the Denver hub, and Alaskan Airlines serving West Coast flyers via their Seattle hub.

Missoula International Airport and Bozeman International Airport are also feasible points of arrival but will require a two hour commute via bus or auto that you will need to arrange yourself. For those interested in art and cultural events, Missoula might be the place to spend a few extra days. If you are planning to go to Glacier National Park consider Great Falls, and Bozeman if you wish to spend some extra time in Yellowstone National Park.
